SCHEDULE

(Section 6)

(1) Section 7 (4) of the West African Institute for Trypanosomiasis Research Ordinance, 1950 (No. 36 of 1950).

(2) Section 7 (3) of the West African Institute for Oil Palm Research Ordinance, 1951 (No. 21 of 1951).

(3) Paragraph 3 of the Third Schedule to the Nigerian College of Arts, Science and Technology Ordinance, 1952 (No. 12 of 1952).

(4) Section 19 of the West African Council of Medical Research Ordinance (No. 18 of 1954).

(5) Section 7 (3) of the Nigerian Navy Ordinance, 1956 (No. 28 of 1956).

Objects and Reasons

The object of the Ordinance is to provide that in the future officers temporarily employed to whom a gratuity is payable shall not be eligible to contribute to the Widows' and Orphans' Pensions Ordinance. Such contract officers have been in the minority in the past and have been contributors, but an increase in their number would change the actuarial basis of the scheme. In respect of many contract officers the limited contributions payable are insufficient to ensure adequate benefits for their dependants, and the increased salary which is payable together with their contract gratuity gives them freedom to make whatever other appropriate financial provision they prefer.

There is also provision for present contract officers to elect (during a limited period) to cease to contribute and to be repaid their contributions.

The principal Ordinance has been applied in respect of certain non-Government public service in Nigeria. Clause 6 extends the scope of the present amendment to persons in such other public service.

Minister of Finance,
