(a) 9.—(1) The Governor-General shall not be obliged to consult with the Council of Ministers in the exercise of any power conferred upon him (including any power so conferred by the Constitution Order) in any case—

(a) that is of such a nature that, in his judgment, Our service would sustain material prejudice by reason of his consulting the Council thereon; or

(b) in which the matters to be decided are, in his judgment, too unimportant to require their advice; or

(c) in which the matters to be decided are, in his judgment, too urgent to admit of the giving of their advice by the time within which it may be necessary for him to act.

In every case falling within sub-paragraph (c) of this paragraph the Governor-General shall, as soon as is practicable, communicate to the Council of Ministers the measures that he has adopted, with the reasons therefor.

(2) (a) If in any case in which he consults with the Council of Ministers, whether in pursuance of section 89 of the Constitution Order or of clause 8 of these Instructions or otherwise, the Governor-General considers it expedient in the interests of public faith, public order or good government (which expressions shall, without prejudice to their generality, include the responsibility of Nigeria as a territory within the British Commonwealth of Nations, and all matters pertaining to the creation or abolition of any public office or to the salary or other conditions of service of any public officer) that he should not act in accordance with the advice of the Council of Ministers, then he may act otherwise than in accordance with that advice.

(i) he shall report the matter to Us through a Secretary of State, at the first convenient opportunity, with the reasons for his action; and

(ii) any member of the Council of Ministers may require that there be recorded in the minutes of the Council any advice or opinion that he may give upon the question, with the reasons therefor.

(ii) an Ordinance assented to by Us through a Secretary of State is included in the series for the year in which the Governor-General shall have signified Our assent thereto by Proclamation published in the Official Gazette of the Federation, and its position in such series is determined with reference to the day on which Our assent shall have been so signified.

(iii) particulars of the day on which each Ordinance shall have come into operation, or, if that day shall not have been determined, a reference to any provision in the Ordinance whereby it may be determined.

(e) Matters having no proper relation to each other shall not be provided for by the same Ordinance; no Ordinance shall contain anything foreign to what the title of the Ordinance imports; and no provision having indefinite duration shall be included in any Ordinance expressed to have limited duration.

Provided that the Governor-General may, without such Instructions as aforesaid, and although the Bill contains no such clause as aforesaid, assent in Our name to any Bill falling within any of the classes described in this clause (except such a Bill as is described in sub-paragraph (f) of this clause), if he is satisfied that an urgent necessity exists requiring that the Bill be brought into immediate operation; but in any such case he shall forthwith transmit to Us the Bill to which he has assented together with his reasons for so assenting.

16.—The Governor-General shall not, directly or indirectly, purchase for himself any land or building in Nigeria vested in Us without Our special permission given through a Secretary of State.

17. Every appointment made by, or on behalf of, the Governor-General of any person to any office or employment shall, unless it is otherwise provided by law, be expressed to be during pleasure only.

member shall become vacant:

Provided that an Official Member shall not so resign his seat without
permission given by the Governor-General acting in his discretion.

(3) If any Appointed Member of the Privy Council is appointed tempo-

(2) (a) Whenever any offender has been condemned by any civil court in Nigeria to suffer death for any offence to which section 9 of the Offices Order applies, the Governor-General shall cause a written report of the case of that offender from the judge who tried the case, together with such other information derived from the record of the case or elsewhere as the Governor-General may require, to be taken into consideration at a meeting of the Privy Council.

(b) The Governor-General shall not pardon or reprieve any such offender unless it appears expedient to him so to do upon receiving the advice of the Privy Council thereon; but he is to decide either to extend or to withhold a pardon or reprieve according to his own deliberate judgment, whether the members of the Privy Council concur therein or otherwise; entering, nevertheless, in the minutes of the Privy Council, his reasons, in case he should decide any such question in opposition to the judgment of the majority of the members thereof.

24.—Except in the circumstances in which he is not regarded as absent from Nigeria for the purposes of section 5 of the Offices Order, the Governor-General shall not absolve himself from Nigeria without having first obtained leave from Us for so doing through a Secretary of State.

(a) 25.—(1) The High Commissioner for the Southern Cameroons shall give the following directions to the Commissioner of the Cameroons:

1. (a) In relation to matters to which the executive authority of the Southern Cameroons extends, the Commissioner of the Cameroons shall, subject to the provisions of paragraph 2 of these directions, consult with the Executive Council of the Southern Cameroons in the formulation of policy and in the exercise of all other powers conferred upon him, except

(i) any power conferred upon the Commissioner in respect of which it is provided by law, either expressly or by implication, that he shall not be obliged to consult with the Executive Council in the exercise thereof; or

(ii) any power that the Commissioner is directed by the High Commissioner for the Southern Cameroons to exercise without consulting with the Executive Council.

(b) Nothing in this paragraph shall be construed as applying to any power conferred upon the Commissioner by the Constitution Order.

2. The Commissioner shall not be obliged to consult with the Executive Council in the exercise of any power conferred upon him (including any power so conferred by the Constitution Order) in any case

(a) that is of such a nature that, in his judgment, Our service would sustain material prejudice by reason of his consulting the Council thereon; or

(b) in which the matters to be decided are, in his judgment, too unimportant to require their advice; or

(c) in which the matters to be decided are, in his judgment, too urgent to admit of the giving of their advice by the time within which it may be necessary for him to act.

(a) Cl. 25 as am., Additional Instructions of 1st April, 1958, and 18th July, 1958.
In every case falling within sub-paragraph (c) of this paragraph the Commissioner shall, as soon as practicable, communicate to the Executive Council the measures that he has adopted, with the reasons therefor.

3. (a) The Commissioner shall decide what business is to be proposed from time to time for transaction in the Executive Council.

(b) If the Premier requests in writing that there shall be submitted to the Council for their consideration any question relating to a matter on which the Commissioner is, by paragraph 1 of these directions, obliged to consult with the Executive Council, then, subject to the provisions of paragraph 2 of these directions, the Commissioner shall submit such question to the Council for their consideration.

4. The Commissioner shall, subject to the provisions of paragraph 5 of these directions, act in accordance with the advice of the Executive Council on any matter on which he is by those directions obliged to consult with the Executive Council.

5. (a) If in any case in which he consults with the Executive Council in pursuance of section 125 of the Constitution Order or paragraph 1 of these directions, the Commissioner considers it expedient in the interests of public faith, public order or good government (which expressions shall without prejudice to their generality include the responsibility of Nigeria as a territory within the British Commonwealth of Nations, and all matters pertaining to the creation and abolition of any public office or to the salary or other conditions of service of any public officer) that he should not act in accordance with the advice of the Executive Council, then he may act otherwise than in accordance with that advice.

(b) Whenever the Commissioner so acts otherwise than in accordance with the advice of the Executive Council—

(i) he shall report the matter to the High Commissioner for the Southern Cameroons at the first convenient opportunity, with the reasons for his action; and

(ii) any member of the Executive Council may require that there be recorded in the minutes of the Council any advice or opinion that he may give on the question, with the reasons therefor.

6. The Commissioner shall not authorise the Deputy Commissioner to discharge any of the functions of Commissioner under section 9s of the Offices Order during any period in which he expects to be absent from Nigeria or from any other cause prevented from or incapable of discharging the functions of that office unless in his opinion that period is likely to be of short duration.

(b) If the Commissioner of the Cameroons makes a report to the Governor-General in pursuance of paragraph 5 of the directions set out in this clause, the Governor-General shall report the matter to Us through a Secretary of State at the first convenient opportunity.

(a) The High Commissioner for the Southern Cameroons shall not dismiss the Premier of the Southern Cameroons unless it appears to him that the Premier no longer enjoys the confidence of the House of Assembly of the Southern Cameroons.

(a) Cl. 26, inserted, Additional Instructions of 1st April, 1953.
(a) 27. Clauses 12, 13, 14, 15 and 23 of these Instructions shall apply in relation to the Southern Cameroons as they apply in relation to the Federation, and for that purpose they shall be construed as if references therein to the Governor-General, the House of Representatives, the Federal Legislature, the Public Seal of the Federation and section 9 of the Offices Order were references to the High Commissioner for the Southern Cameroons, the House of Assembly of the Southern Cameroons, the Legislature of the Southern Cameroons, the Public Seal of the Southern Cameroons and section 9c of the Offices Order, and as if the words "acting in his discretion" were deleted from paragraph (1) of clause 23.

(3) Any law enacted by the Federal Legislature may be applied in relation to any person mentioned in subsection (2) of this section in respect of his service in the former public service of Nigeria or the public service of the Federation and in relation to his dependants in respect of any such service instead of the pensions law that applies by virtue of that subsection if the law enacted by the Federal Legislature is not less favourable to that person or his dependants, as the case may be, than that pensions law.

(4) Any law enacted by the Legislature of a Region may be applied in relation to any person mentioned in subsection (2) of this section in respect of his service in the public service of that Region and in relation to the dependants of any such person in respect of any such service instead of the pensions law that applies by virtue of that subsection if the law enacted by the Legislature of the Region is not less favourable to that person or his dependants, as the case may be, than that pensions law.

(5) Subject to the provisions of this Order, any pension, gratuity or other like benefit that may be granted to any person who is appointed to the public service of the Federation or the public service of a Region after the commencement of this Order or to the dependants of any such person shall be governed by the law in force on the date on which that person is first appointed to a pensionable office in that public service or by any law made thereafter that is not less favourable to that person or his dependants, as the case may be, and is applicable in his or their case.

(6) Where any person is entitled to exercise an option whether one of two or more laws shall apply in his case, the law specified by him in exercising the option shall, for the purposes of this section, be deemed to be more favourable than the other law or laws.

(6) The deposit referred to in sub-regulation (5) shall be returned to the candidate or to his personal representative if—

(2) With each statement referred to in paragraph (1) there shall be displayed in each case a copy of the photograph of each candidate supplied in accordance with regulation 2.

Withdrawal of candidates.

5. Any candidate may withdraw from his candidature by notice in writing signed by him, and delivered by himself or one of the persons nominating him to the returning officer not later than one o'clock in the afternoon of the eleventh day before the day of election.
6. (1) If the number of persons remaining nominated in any ward exceeds one the ballot shall be taken, but if only one person remains nominated in any ward that person shall be deemed to be elected.

(2) Where under the provisions of sub-regulation (1) any person is deemed to be elected, the returning officer shall, on the day appointed for the election, publish the name of the person so elected.

(3) Where no person is or remains nominated in any ward, the returning officer shall appoint some other convenient day for the election in that ward.

7. If after the latest time for delivery of nomination papers and before the commencement of the poll, a nominated candidate dies, the returning officer shall, upon being satisfied of the fact of death, countermand the poll, and shall appoint some other convenient day for the election.

8. (1) In the case of a contested election, the returning officer shall on or before the fourth day before the day of election, cause to be published in every ward in such manner as he may think fit a notice showing—

(a) the day and the hours fixed for the poll;

(b) that only one person is to be elected;

(d) a pictorial representation of the symbol allotted to each candidate remaining nominated;

(e) the names, places of residence, and occupations of the persons who nominated each candidate;

(f) the situation of the polling station or stations in each ward and an indication of the persons entitled to vote thereat in accordance with the arrangements made under paragraphs (a) and (e) of regulation 9.

(2) The hours fixed for the taking of the poll shall be a continuous period of not less than six hours.

9. Before polling-day the returning officer shall—

(a) provide a sufficient number of polling stations in each ward and, in accordance with the terms of any notice given under the provisions of sub-regulation (1) of regulation 8 of these regulations, allot the voters within the ward to the polling stations in such manner as seems to him most convenient;

(b) appoint, in respect of each ward, such persons as he may think fit to assist at the voting and counting in the election, and such persons shall be known as polling officers;

(c) appoint from such polling officers a person to be in charge of each polling station to be known as the presiding officer;

(d) furnish each polling station with such number of compartments, as in the opinion of the returning officer may be necessary, in which the voters can, screened from observation, record their votes;

(e) provide each presiding officer with such number of ballot boxes and ballot papers as may be necessary;
(f) provide each polling station with instruments for making an official
mark on the ballot papers, with pads impregnated with indelible ink
of a distinctive colour, and with copies of the register of voters for the
ward or such part thereof as contains the names of the voters entitled
to vote at the polling station; and

(g) do such other acts and things as may be necessary for conducting
the election in the manner provided in these regulations.

10. Every ballot paper shall be in the Form B of the Appendix to these
regulations and shall—

(a) be capable of being folded up;
(b) have a serial number printed or stamped on the back; and
(c) be attached to a counterfoil bearing the same serial number as is
printed or stamped on the back of the ballot paper.

11. (1) Each candidate may appoint an agent, hereinafter referred to
as a polling agent, to attend at each polling station within the ward for
which he is a candidate for the purpose of detecting personation and persons not
qualified to vote; and except for the aforesaid purposes an agent so appointed
shall not in any way interfere with any voter or with the conduct of the poll.

(2) Notice in writing of the appointments, stating the names and
addresses of the polling agents, together with the polling stations to which
they have been assigned, shall be given by the candidate to the returning
officer not later than three days before the day fixed for the election.

(3) If any polling agent dies or becomes incapable of acting as such,
the candidate may appoint another polling agent in his place, and shall
forthwith give to the returning officer notice in writing of the name and
address of the polling agent so appointed.

(4) The polling agents in respect of whom notice shall have been given
in accordance with sub-regulation (2) or (3) may, during the hours of the
poll, attend at the polling stations to which they have been appointed.

(5) The returning officer may, for the purpose of identification,
issue to polling agents badges which he may require the polling agents to
wear in a conspicuous position on their persons at all times when within
a polling station.

(6) It shall be an offence for a polling agent to enter or remain in a
polling station without wearing a badge if he has been required to wear
a badge in accordance with the provisions of sub-regulation (5).

(7) It shall be an offence for any person, other than a polling agent
who is wearing an authorised badge in accordance with sub-regulation (5),
to wear such badge within a polling station.

(8) An agent may act for more than one candidate but no candidate
may have more than one agent.

12. Notwithstanding anything contained in these regulations, it shall be
lawful for the returning officer, the deputy returning officer, the polling
officers and the polling agents to vote on the day immediately preceding
the polling day at such time and place as the chief electoral officer may
appoint.
13. The presiding officer shall cause to be placed in each polling station ballot boxes equivalent in number to the persons nominated for election. Each such ballot box shall be clearly marked with a candidate's name and with a copy of his photograph supplied in accordance with regulation 2 and with the symbol allotted in accordance with regulation 4 of these regulations, and shall be shown to such persons as may lawfully be present to be so marked before being placed in the polling station and before any voting commences. When in use for voting the ballot boxes shall be screened from observation by all persons other than the voter casting his vote and shall be so constructed that a ballot paper can be put therein by the voter but cannot by him be withdrawn.

14. Immediately before the commencement of the voting, the presiding officer at the polling station shall show the ballot boxes empty to such persons as may lawfully be present so that they may see that they are empty and shall then close and seal the boxes in such manner as to prevent them being opened without breaking the seal.

15. The voting at an election shall be conducted in the following manner:

(a) every voter desiring to record his vote shall present himself to a polling officer at the polling station at which he is entitled to vote, and the polling officer after satisfying himself that the name of such voter appears on the copy of the register of voters, or part thereof, provided for that polling station, and that he has not already voted, shall deliver to him a ballot paper.

(b) immediately before the polling officer delivers a ballot paper to a voter—

(i) the ballot paper shall be marked on both sides, or punched, with an official mark;

(ii) the number, name, address and occupation of the voter as stated in the copy of the register of voters, or part thereof, shall be called out;

(iii) the number of the voter in the register of voters shall be marked on the counterfoil; and

(iv) a mark shall be placed against the number of the voter in the copy of the register of voters, or part thereof, to denote that a ballot paper has been received by the voter, but without showing the serial number of the ballot paper which has been received;

(c) a polling officer may, and if required by a candidate or a polling agent shall, put to any person applying for a ballot paper at the time of his application, but not afterwards, the following questions or either of them:

(i) are you the person whose name is on the register of voters as follows (reading out the copy of the entry in the register)?

(ii) have you already voted at the present election at this or any other polling station?

(d) a voter on receiving a ballot paper shall go immediately into one of the screened compartments in the polling station and shall there secretly record his vote by placing his ballot paper in the ballot box of his choice;

(e) a voter shall not vote for more than one candidate nor record more than one vote in favour of any candidate;
(f) a voter who has accidentally dealt with his ballot paper in such a manner that it cannot be conveniently used as a valid ballot paper may, on delivering such ballot paper to the presiding officer and after satisfying the presiding officer that the ballot paper has been spoilt by accident, obtain another ballot paper in the place of the paper so delivered up, and the spoilt ballot paper shall be immediately cancelled;

(g) immediately before recording his vote a voter shall submit to having the ball of his left thumb or the outer edge of the lower part of his left forefinger marked with ink sufficiently indelible to leave a mark to the satisfaction of the presiding officer;

(h) a voter who is unable to distinguish symbols or who suffers from blindness or any other physical disability preventing his voting may call the presiding officer aside and may tell him, no other person being present within hearing, the name or symbol of the candidate for whom he wishes to vote, and the presiding officer shall, in the presence of the voter, place the ballot paper in the appropriate ballot box.

Admission of persons to polling station.

16. (1) No person shall be permitted to vote at any polling station other than the one allotted to him under the provisions of paragraph (a) of regulation 9 of these regulations.

(2) The presiding officer shall regulate the admission of voters to the polling station, and shall exclude all other persons except candidates, polling agents, polling officers, police officers on duty, and any other person who in his opinion has lawful reason to be admitted.

Péersonation.

17. (1) If at the time a person applies for a ballot paper, or after he has so applied and before he has left the polling station, a polling agent declares to the presiding officer that he has reasonable cause to believe that the applicant has committed the offence of personation and undertakes to substantiate the charge in a court of law, the presiding officer may order a police officer to arrest such person, and the order of the presiding officer shall be sufficient authority for the police officer so to do.

(2) A person in respect of whom a polling agent makes a declaration in accordance with the provisions of paragraph (1) of this regulation shall, by reason thereof, be prevented from voting, but the presiding officer shall cause the words "protested against for personation" to be placed against his name in the marked copy of the register of voters or portion thereof: Provided that where a person in respect of whom such declaration is made admits to the presiding officer that he is not the person he held himself out to be, he shall not be permitted to vote if he has not already done so, and if he has already voted the presiding officer shall make a note of the number of the ballot paper delivered to him, and, upon the count being taken, such ballot paper shall be invalid.

(3) A person arrested under the provisions of this regulation shall be deemed to be a person taken into custody by a police officer for an offence in respect of which he may be arrested without a warrant.

Tendered ballot papers.

18. If a person representing himself to be a voter named in the register of voters applies for a ballot paper after another person has voted as such voter, the applicant shall, upon giving satisfactory answers to the questions set out in paragraph (c) of regulation 15 of these regulations, be entitled to receive a ballot paper in the same manner as any other voter, but each
such ballot paper, hereinafter called a tendered ballot paper, shall be of a
colour different from the ordinary ballot papers, and instead of being put
into the ballot box, shall be given to the presiding officer and endorsed
by him with the name of the voter and his number in the register of voters,
and set aside, in accordance with the wishes of the person voting, in one
of a number of separate packets each of which shall correspond to and
bear the same name or symbol as one of the ballot boxes provided in accord-
ance with Regulation 13 and shall not be counted by the returning officer
as hereinafter provided; and the name of the voter and his number on the
register of voters shall be entered on a list to be called the tendered votes
list, and this list shall be admissible in any legal proceedings arising out of
the election.

19. (1) The presiding officer shall keep order and ensure compliance
with these regulations at the polling station.

(2) If any person misconducts himself in a polling station, or fails to
obey any lawful order of the presiding officer, he may, by order of the
presiding officer, be removed from the polling station by any police officer,
or by any other person authorised in writing by the presiding officer in
that behalf; and the person so removed shall not, without the permission
of the presiding officer, again enter the polling station during the day of
the election; and any person so removed may, if charged with the commis-
sion of an offence in such station, be deemed to be a person taken into
custody by a police officer for an offence in respect of which he may be
arrested without a warrant: Provided that the provisions of this regulation
shall not be exercised so as to prevent any voter who is otherwise entitled
to vote at any polling station from having an opportunity of so voting.

20. When the prescribed hour for the closing of the poll has been reached
the presiding officer shall declare that no more persons shall be admitted
to the polling station, and thereafter only those persons already inside the
polling station shall be permitted to vote.

21. (1) As soon as practicable after the termination of the voting the
presiding officer shall, in the presence of the polling agents, make up into
separate packets, each sealed with his own seal:—

(a) each ballot box in use at his polling station, unopened and sealed
so as to prevent the introduction of additional ballot papers;
(b) the unused and spoilt ballot papers, placed together;
(c) the tendered ballot papers;
(d) the marked copy of the register of voters;
(e) the counterfoils of the used ballot papers; and
(f) the tendered votes list;

and shall deliver the packets to the returning officer for the appropriate
ward.

(2) The packets shall be accompanied by a statement to be called the
ballot papers account, prepared by the presiding officer, showing—

(a) (f) the number of ballot papers entrusted to him;
(b) the number of spoilt ballot papers;
(c) the number of unused ballot papers; and
(d) the number of tendered ballot papers.
22. (1) Each candidate may appoint one person, hereinafter referred to as a counting agent, to attend at the counting of votes.

(2) Notice in writing of the appointment, stating the name and address of the counting agent, shall be given by the candidate to the returning officer not later than one day before the day of the election; and the returning officer may refuse to admit to the place where the votes are counted any person purporting to be a counting agent in respect of whom such notice has not been given.

(3) If a counting agent dies or becomes incapable of acting as such, the candidate may appoint another counting agent in his place, and shall immediately give to the returning officer notice in writing of the name and address of the counting agent so appointed.

(4) A counting agent may act for more than one candidate but no candidate may appoint more than one counting agent.

23. (1) The returning officer shall make arrangements for counting the votes in the presence of the counting agents as soon as practicable after the close of the poll, and shall, so far as is practicable, proceed continuously with the counting, allowing only reasonable time for refreshment.

(2) A candidate or his counting agent may if present when the counting or any re-count of the votes is completed request the returning officer to have the votes re-counted or again re-counted, but the returning officer may refuse to do so if in his opinion the request is unreasonable.

(3) No action shall be taken under regulations 30, 31 or 32 until the candidates and counting agents present at the completion thereof have been given a reasonable opportunity to exercise the right conferred by sub-regulation (2).

(4) Except with the consent of the returning officer, who shall have sole charge of the counting, no person other than the returning officer, the persons appointed to assist him, and the candidates and their counting agents may be present at the counting of the votes.

24. (1) If any person misconducts himself in the counting room or fails to obey the lawful orders of the returning officer, he may immediately, by order of the returning officer, be taken into custody by any police officer, or by any other person authorised in writing by the returning officer to take such person into custody; and any such person so taken into custody as aforesaid may be detained in the counting rooms until after the result of the counting has been announced by the returning officer, and shall be dealt with as a person taken into custody by a police officer for an offence in respect of which he may be arrested without a warrant.

(2) Save with the consent of the returning officer, it shall be an offence for any person to announce the result of the count before the returning officer does so.

(3) It shall be an offence for any person to bring into or consume in the counting room alcoholic liquor.

25. (1) The returning officer shall, in the presence of the counting agents, open each ballot box one by one and, after taking out the ballot papers, shall separate the valid ballot papers (as defined in regulation 26) from any other papers found therein.
(2) The returning officer shall then proceed to count the valid ballot papers found in the box and shall record the total number thereof as the number of votes cast in favour of the candidate whose name and symbol is borne by the ballot box concerned.

(3) While counting the valid votes the returning officer shall keep the ballot papers with their faces upwards.

26. Any ballot paper—
(a) which does not bear the official mark; or
(b) on which anything is written or marked by which a voter can be identified, other than the printed or stamped serial number,
shall be deemed invalid and shall not be counted. All other ballot papers which bear the official mark and printed or stamped number shall be deemed valid and shall be counted.

27. (1) The returning officer shall endorse the word “rejected” on any ballot paper which, under the provisions of regulation 26, is not to be counted.

(2) The returning officer shall add to the endorsement the words “rejection objected to” if an objection to his decision is made by any counting agent.

28. The returning officer shall prepare a statement showing the number of ballot papers rejected under the following heads:

(a) want of official mark;
(b) writing or mark by which the voter could be identified;

and shall on request allow any counting agent to copy the statement.

29. The decision of the returning officer as to any question arising in respect of any ballot paper shall be final, and shall be subject to review only on an election petition questioning the election.

30. (1) Upon the conclusion of the counting of the votes the returning officer shall seal up in separate packets the counted and rejected ballot papers. He shall not open the sealed packet of tendered ballot papers, or the sealed packet containing the marked copy of the register of voters, or the sealed packet containing the counterfoils of used ballot papers, but shall proceed, in the presence of the counting agents, to verify the ballot papers account given by each presiding officer in accordance with regulation 21 and by comparing it with the total number of ballot papers recorded in accordance with regulations 25 and 26 and with the number of unused and spoilt papers delivered to him in accordance with regulation 21 (1).

(2) The returning officer shall prepare a statement as to the result of the verification and shall on request allow any counting agent to copy such statement.

(3) After examination, the returning officer shall re-seal the packets containing the unused and spoilt papers and shall packet and seal those papers which he has rejected in pursuance of the provisions of regulations 25 and 26.

31. When an equality of votes is found to exist between any candidates so that the addition of a vote would entitle any one of the candidates to be declared elected, the returning officer shall forthwith decide between those candidates by lot and proceed as if the candidate on whom the lot falls had received an additional vote.
32. After having counted the votes and ascertained the result of the poll in accordance with regulations 25 and 26, and (where applicable) regulation 31, the returning officer shall—

Form C.

(a) complete the certificate of return as set out in Form C of the Appendix to these regulations;

(b) declare the result of the poll by reading such completed form aloud inside the place of counting;

(c) cause to be posted at the office of the council concerned a copy thereof;

(d) deliver or cause to be delivered the original of such certificate to the chief electoral officer;

(e) furnish the persons elected with a certificate of election as set out in Form D of the Appendix to these Regulations;

(f) cause to be published in the Gazette of the Federation and in such other manner as he may think fit, a declaration of the result of the poll and a statement showing the names of the candidates elected, the names of the unsuccessful candidates and the number of votes recorded for each candidate whether elected or not.

33. (1) The returning officer shall ensure the safe custody of all documents relating to the conduct of the election.

(2) The returning officer shall cause all such documents to be destroyed after the expiration of six months from the date of the election unless otherwise directed by an order of the Court arising from proceedings relating to the election.

34. A presiding officer may do, by any officer appointed to assist him any act which the presiding officer is required or authorised to do at a polling station by these regulations, except ordering the arrest of any person, or the exclusion or removal of any person from the polling station.

34A. Any reference in these regulations to the returning officer shall be deemed to include any polling officer carrying out duties upon less direction.

35. A candidate may do any act or thing which his agent would have been authorised or required to do, and may assist his agent in the doing of any such act or thing.

36. Where in these regulations any act or thing is required or authorised to be done in the presence of the agents of the candidates, the non-attendance of any agent or agents at the time and place appointed for the purpose shall not, if any act or thing is otherwise properly done, invalidate the act or thing done.

37. The polling officers and their assistants shall receive from the returning officer such reasonable remuneration as the chief electoral officer may see fit to authorise.

38. (1) All sums properly received by the returning officer in connection with the election shall be paid into the municipal fund after payment therefrom of all reasonable expenses incurred by the returning officer for the purpose of the election.
(2) All costs properly incurred by the returning officer in the institution of legal proceedings arising out of an election shall be deemed to be expenses reasonably incurred by him for the purposes of the election.

39. (1) An election shall not be invalidated for non-compliance with these regulations and any variations thereof duly made, or a bona fide mistake in the use of the prescribed forms, if it appears to the court having cognisance of the question that the election was conducted substantially in accordance with the principles laid down in these regulations and that the non-compliance or mistake did not affect the result of the election.

(2) No misnomer or inaccurate description of any person or place named in any official list of voters, nomination paper, ballot paper, voting paper, or notice shall affect the full operation of that document with respect to that person or place, in any case where the description of the person or place is such as to be commonly-understood.

(3) An election shall not be liable to be questioned by reason of a defect in the title, or want of title, of the person conducting the election, if that person was then in actual possession of, or acting in, the office giving the right to conduct the election.

40. No person who has voted at an election shall, in any legal proceedings arising out of the election, be required to state for whom he voted.

41. Any person who wilfully makes a false answer to either of the questions mentioned in regulation 15 (c) shall be guilty of an offence and shall be liable on conviction to a fine of ten pounds or to imprisonment for two months.

42. Any person who, at the same election, votes at an election in more than one ward or polling division shall be guilty of an offence.

43. (1) No person shall convene, hold or attend any public meeting within any ward on the date or dates on which a poll is taken for an election in that ward; Provided that attendance in any gathering or queue by voters waiting to vote shall not be deemed attendance at a public meeting.

(2) No person shall on the date or dates on which a poll is taken at any polling station commit any of the following acts within the polling station or in any public or private place within a distance of two hundred yards of the polling station, namely:

(g) shouting slogans concerning the election.

(3) No candidate or his agent, or other person with the connivance of a candidate or his agent, shall, whether on payment or otherwise, use, hire or procure any vessel or vehicle for the conveyance of any elector (other than the candidate himself or his agent) to or from any polling station.
44. Any person who, being a returning officer at an election—
(a) gives a certificate of return which is, to his knowledge, false in any material particular; or
(b) perversely and without lawful excuse refuses to render any certificate of return relating to that election to the officer to whom it is required to be delivered,
shall be guilty of an offence.

45. Any person who at any election held under these regulations acts or incites others to act in a disorderly manner shall be guilty of an offence.
