15. Section 44 of the principal Ordinance is amended by the repeal of subsection(2).

16. Nothing in this Ordinance shall affect any loan raised under the principal Ordinance before the coming into operation of this Ordinance.

Objects and Reasons

The object of this Bill is to bring the Local Loans (Registered Stock and Securities) Ordinance, Cap. 120 up to date.

Section 35 of the Central Bank of Nigeria Ordinance 1958, provides that the Central Bank shall be entrusted with the issue and management of Federal Government loans publicly issued in Nigeria and to this end this Bill amends the principal Ordinance by substituting the Central Bank for the Accountant-General of the Federation.
It is not envisaged that in present-day circumstances the Federal Government, as distinct from the Central Bank, will wish or require to issue promissory notes. All references to promissory notes in the principal Ordinance have therefore been deleted.

All powers at present vested in the Governor-General are transferred to the Minister of Finance.

Where the Federal Government raises a loan for re-lending to any of the Governments of the Regions or of the Southern Cameroons it is desired that the Federal Government should not need to set up a sinking fund of its own in respect of such a loan and clause 4 of the Bill provides for this.

F10181/5, 1
A BILL
FOR
AN ORDINANCE TO AMEND THE DOGS ORDINANCE (CHAPTER 56 OF THE REVISED EDITION OF THE LAWS, 1948).

BE IT ENACTED by the Legislature of the Federation of Nigeria as follows—

1. This Ordinance may be cited as the Dogs (Amendment) Ordinance, 1959.

2. Section 6 of the Dogs Ordinance is amended by the deletion of the words "three months" and the substitution therefor of the following—"six months".

3. Section 15 of the Dogs Ordinance is amended by being renumbered as subsection (1) of section 15 and by the addition thereto of the following new subsection—

"(2) Rules made under subsection (1) may provide that an owner or person having the custody, control or care of a dog shall ensure that such dog is inoculated against rabies, and may provide for the production of a certificate of such inoculation before a licence may be issued in accordance with Part II."

Objects and Reasons

Supplies of anti-rabies vaccine are adequate to enable all dogs in Federal Territory to be inoculated, and this amendment will enable rules to be made making such inoculation compulsory. There are uncertainties with regard to the inoculation of dogs less than six months old and this Bill accordingly provides that dogs shall be licensed when they are six months old rather than three months as at present. Rules can then provide that inoculation shall be a prerequisite to licensing.

A BILL
FOR

AN ORDINANCE TO AMEND THE MINERALS ORDINANCE (CHAPTER 134 OF THE REVISED EDITION OF THE LAWS, 1948).

BE IT ENACTED by the Legislature of the Federation of Nigeria as follows—

1. This Ordinance may be cited as the Minerals (Amendment) Ordinance, 1959.

2. Section 2 of the Minerals Ordinance is amended by the insertion, in paragraph (c) of the definition of minerals after the word “gypsum”, of the following—

“limestone,”.

3. Section 36 of the Minerals Ordinance is amended by the insertion in subsection (1), after the words “twenty-one years”, of the following—

“(or not being more than seventy years in the case of non-metallic minerals as classified in paragraph (c) of the definition of minerals in section 2)”.

Objects and Reasons

This amendment (by Clause 3) will allow the granting of leases for an initial period of seventy years for the mining of such minerals as limestone, which is a low value mineral extracted as an incident of the carrying on of an industry requiring high capital expenditure on plant and ancillary services. Although the definition of a mineral, and in particular of non-metallic minerals, does embrace limestone, it has not hitherto made express reference to limestone. Limestone has become of such increasing importance that the opportunity is taken of making this express reference in the Ordinance (Clause 2),

A BILL

FOR

AN ORDINANCE TO AMEND THE CUSTOMS TARIFF ORDINANCE, 1958
(NO. 60 OF 1958)

[ ]

BE IT ENACTED by the Legislature of the Federation of Nigeria as follows—

1. This Ordinance may be cited as the Customs Tariff (Amendment) Ordinance, 1959.

2. Section 3 of the Customs Tariff Ordinance, 1958, is amended by the deletion of the words "in accordance with the provisions of the customs laws".

Objects and Reasons

The words deleted by this Bill from section 3 of the Customs Tariff Ordinance, 1958, were originally introduced with the intent that goods irregularly imported, although of a kind exempt from duty, were to be treated for penalty purposes as goods chargeable with duty. Further consideration of this section has revealed the possibility of difficulties arising in the interpretation of those words when read in conjunction with certain provisions of the Customs and Excise Management Ordinance, 1958. It is considered that adequate provisions exist for enforcing compliance with import requirements, whether or not the goods are chargeable with duty.

A BILL
FOR
AN ORDINANCE TO AMEND THE CUSTOMS AND EXCISE MANAGEMENT ORDINANCE, 1958 (No. 55 OF 1958).

BE IT ENACTED by the Legislature of the Federation of Nigeria as follows—

1. This Ordinance may be cited as the Customs and Excise Management (Amendment) Ordinance, 1959.

2. Section 14 of the Customs and Excise Management Ordinance, 1958 (hereinafter referred to as the principal Ordinance) is amended by the insertion in subsection (5) after the word “commanded” of the following—

“or piloted”.

Title.

Commencement.

Enactment.

Short title.

Amendment of section 21.
3. Section 21 of the principal Ordinance is amended by the insertion in subsection (1) after the words "other than a customs airport" of the following—

"otherwise than as permitted in writing by the Board".

Amendment of section 88.
4. Section 88 of the principal Ordinance is amended by the insertion in subsection (2) after the word "Board" of the following—

"by notice in the Gazette".

Amendment of section 121.
5. Section 121 of the principal Ordinance is amended by the deletion from subsection (1) of the words "the Board shall, but in the case of lost goods only if it is satisfied that they have not and will not be used or consumed in Nigeria, remit or repay any duty chargeable or paid thereon" and the substitution therefor of the following—

"the Board shall remit or repay any duty chargeable or paid thereon, but in case of lost goods to which paragraph (a), (b) or (c) applies only if it is satisfied that they have not been and will not be used or consumed in Nigeria, and in the case of lost goods to which paragraph (d) applies only if it is satisfied that they have not been and will not be exported".

Amendment of section 147.
6. Section 147 of the principal Ordinance is amended by the insertion after the word "customs" of the following—

"or excise".

Objects and Reasons

Since the enactment of the Customs and Excise Management Ordinance, 1958, certain minor defects in that Ordinance have come to light and the object of this Bill is to remedy these defects. The various amendments are explained separately below.

2. Clause 2. Section 14 (6) of the principal Ordinance refers to a military aircraft commanded by a member of the services. The amendment brings that section into line with Article 72 (3) of the Colonial Air Navigation Order, 1955, and has the effect of exempting military aircraft under the command of a civilian but piloted by a member of the services.

3. Clause 3. Section 14 (3) of the principal Ordinance prohibits an aircraft from departing for a place outside Nigeria from any place other than a customs airport, except as permitted in writing by the Board of Customs and Excise. Section 21 enables steps to be taken to prevent the departure of an aircraft for a place outside Nigeria from a place other than a customs airport, and it is considered that this power should not exist where the Board's permission in writing to depart from that place has been obtained. Section 21 (1) is amended accordingly.

4. Clause 4. Section 88 (2) of the principal Ordinance is amended to require the rent fixed by the Board of Customs and Excise for the deposit of goods in a Government Warehouse to be published in the Gazette.

5. Clause 5. Section 121 (1) of the principal Ordinance deals with the remission of duty on goods lost or destroyed but does not adequately cover the case of goods intended for export. An appropriate amendment is provided.

6. Clause 6. Section 147 of the principal Ordinance is amended to remedy an inadvertent omission.

BE IT ENACTED by the Legislature of the Federation of Nigeria as follows—

1. This Ordinance may be cited as the Criminal Procedure (Amendment) Ordinance, 1959.

2. Section 382 of the Criminal Procedure Ordinance (hereinafter referred to as the principal Ordinance) as the section was substituted by the Criminal Procedure (Amendment) Ordinance, 1952, is amended by the deletion in subsection 4 of the words “authorised by the written law”, and by the substitution therefor of the following—

“authorised as a punishment for the offence by the written law”.

Title.

Commencement.

Enactment.

Short title.

Amendment of section 382, Cap. 43 and No. 22 of 1952.
3. Section 390 of the principal Ordinance is amended by the deletion in subsection (3) of the words "six months", and by the substitution therefore of the following—

"two years".

Objects and Reasons

The principal object of this amendment is to remove an apparent contradiction in the stipulation of the maximum term of imprisonment which can be imposed in respect of non-payment of a fine, the anomaly having occurred on the occasion of an amendment made in 1952 (Clause 3).

2. The opportunity is taken to clarify the phraseology of a portion of section 382 as it was inserted by the 1952 amendment (Clause 2).
