It is notified for general information that, in commemoration of the achievement of self-Government by Northern Nigeria on the 15th of March, 1959, special postage Stamps in the 3d and 1s denominations will be on sale at all Post Offices and Postal Agencies in the Federation from the 14th of March, to the 30th of May, 1959.

The 3d stamp will feature a vignette of Lugard Hall, Kaduna, and will be printed in purple and black. The 1s stamp will feature a vignette of Kano Mosque and will be printed in green and black. Both stamps will bear the inscription "Self-Government Northern Region, 15th March, 1959."
**Government Notice No. 548**

**IMPORTATION OF MOTOR CARS AND STATION WAGONS FROM THE UNITED STATES OF AMERICA AND CANADA DURING 1959**

The need to conserve expenditure of hard currency still obtains and it is accordingly necessary, as in previous years, to control the quantity and distribution of saloon cars and station wagons imported from the United States of America and Canada. The control will continue to be exercised by means of "letters of authority to purchase" which will be issued by the appropriate Federal and Regional Authorities.

2. Recognised distributors of saloon cars and station wagons imported direct from the United States of America and Canada are permitted to sell these vehicles only to persons in possession of a valid letter of authority. Such letters will be issued only to persons who can adduce evidence for a special need for these vehicles.

3. Details will be published in the Regional Gazettes of the procedure to be followed by applicants in the Regions. Applications for permits to purchase from the Federal allocation may be submitted to the Director, Federal Department of Commerce and Industries, by persons in the following categories:

(a) Heads of Government Departments and public corporations, in respect of their Lagos and Southern Cameroons official requirements;

(b) Federal Government officers, wherever stationed;

(c) Heads of firms with headquarters in Lagos and branches in the Regions, in respect of the firm's overall requirements for Lagos and the Regions;

(d) Individuals resident in Lagos, and the Southern Cameroons.

4. The following particulars are required with each application:

1. Name and address of applicant
2. Nature of business/profession
3. Details of any saloon car(s)/station wagon(s) at present owned, mileage already covered and date of first registration in Nigeria, in respect of each vehicle. In the case of firms owning two or more cars, details are also required of the person by whom each car is normally used.
4. Mileage covered annually.
5. Areas visited regularly.

5. Two categories of vehicles will be imported. The lower priced cars are listed in Category "A" and the higher priced cars in Category "B" hereunder. Permits to purchase vehicles in Category "B" will be issued only in exceptional circumstances and full reasons must be adduced as to why one of the Category "A" cars is unsuitable for the applicant.

6. In each category there may be certain models exceeding the permitted range of landed costs; licences to import such models will not normally be granted unless prior authority has been sought, and obtained, in each individual case.

7. Successful applicants for permits to purchase North American vehicles will no longer be required to enter into an undertaking not to sell or otherwise dispose of the vehicle within two years of the date of delivery, but any person found to have disposed of a new American car, without good reason, within a few months of acquiring it, is unlikely to be successful in any further application for another American car.
