(b) such further sums as may from time to time be made available as aforesaid for the purposes of the fund; and

(c) such sums as may from time to time be paid to the fund by way of repayment of the principal or payment of the interest on or other charge in respect of any loan made out of the fund.

3. The fund may be utilized for providing loans to assist in the establishment, expansion or modernization of industrial enterprises of a productive character, including the provision of services, within Nigeria.

4. Disbursements from the fund shall be made in accordance with rules made under section 23 of the Finance (Control and Management) Ordinance, 1958.

5. The First Schedule to the Finance (Control and Management) Ordinance, 1958, is amended by the insertion in Part II of the following item——

"(2) Revolving Loans Fund for Industry: The Fund established by section 2 of the Revolving Loans Fund for Industry Ordinance, 1959, for the purposes specified in section 3 of that Ordinance."

Objects and Reasons

This Bill seeks to establish a Revolving Loans Fund for Industry to be utilized for the purposes specified in Clause 3 and to be financed by sums made available to Nigeria in the manner specified in Clause 2 (2).
A BILL
FOR
AN ORDINANCE TO AUTHORIZE THE MINISTER OF FINANCE TO GUARANTEE LOANS MADE TO CERTAIN STATUTORY CORPORATIONS.

BE IT ENACTED by the Legislature of the Federation of Nigeria as follows—

1. This Ordinance may be cited as the Statutory Corporations (Guarantee of Loans) Ordinance, 1959, and shall be of Federal application.
Interpretation.

2. In this Ordinance—

"Minister" means the Federal Minister charged with responsibility for matters relating to finance;

"statutory corporation" means a corporation incorporated directly by a law enacted by the Federal Legislature or having effect as if it had been so enacted.

3. (1) The Minister may, subject to the provisions of this Ordinance, guarantee in such manner and on such conditions as he thinks fit the repayment of the principal of and the payment of the interest on and other charges in respect of any loan made to a statutory corporation.

(2) A guarantee shall not be given under this Ordinance until the statutory corporation to which the loan is to be made has provided to the satisfaction of the Minister—

(a) for appropriating and duly applying the loan for the purpose for which the loan was made;

(b) for ensuring that any part of the loan which cannot be applied for the purpose for which the loan was made will be applied only for such other purposes as may be approved by the Minister;

(c) for the establishment and regulation of such sinking fund or funds for the purpose of the repayment of the principal of the loan or any instalment thereof as the Minister may require.

(3) Any sums required for fulfilling any guarantee given under this Ordinance shall be charged on and issued out of the Consolidated Revenue Fund of the Federation, and any sums received by way of the repayment of any sums so issued shall be paid into the said Fund.

(4) As soon as possible after any guarantee is given under this Ordinance, the Minister shall lay before the House of Representatives a statement of the guarantee before the House of Representatives.

(5) Where any sum is issued for fulfilling a guarantee given under this Ordinance the Minister shall, as soon as possible after the end of each financial year beginning with that in which the sum is issued and ending with that in which all liability in respect of the principal of the sum and in respect of interest thereon is finally discharged, lay before the House of Representatives a statement relating to that sum.

4. Any guarantee given by the Minister as to the repayment of the principal of, the payment of the interest on or other charges in respect of any loan made to a statutory corporation before the commencement of this Ordinance and not repaid in full before the commencement of this Ordinance shall be deemed for all purposes to have been given under and in accordance with this Ordinance.

5. Section 22 of the Nigerian Coal Corporation Ordinance, 1950, (which inter alia relates to the guarantee by the Government of loans made to the Corporation) is amended by the deletion from subsection (2) of the words "or any temporary loan raised by".
Objects and Reasons

It is anticipated that certain statutory corporations incorporated directly by Federal law will wish to negotiate loans and it is felt that all possible encouragement should be given to those who may be considering making loans of this nature.

2. With this object, this Bill provides that the Federal Minister of Finance may guarantee such loans if he is satisfied that the corporation concerned has taken certain specified steps in relation to the loan (clause 3 (1) and (2)).

3. Sums required for fulfilling a guarantee will be a charge on the Consolidated Revenue Fund (clause 3 (3)).

4. Statements relating to any guarantee or sums issued for fulfilling any guarantee are required to be laid before the House of Representatives (clause 3 (4) and (5)).

5. Previous guarantees of a similar nature will be deemed to have been given under the provisions of the Ordinance (clause 4).

6. Section 22 (2) of the Nigerian Coal Corporation Ordinance, 1950 provides inter alia for the guarantee of loans made to the Corporation. That provision is superseded by this Bill and the section is amended accordingly.

MUHAMMADU RIBADU,
Minister of Lagos Affairs,
Mines and Power
(Temporarily charged with responsibility for Finance)
