MINISTERS' STATUTORY POWERS AND DUTIES
(MISCELLANEOUS PROVISIONS) ORDINANCE, 1958
(No. 2 of 1958)

Transfer of Functions (Lagos) Order, 1959

Commencement: 10th December, 1959

In exercise of the powers conferred by section 2 of the Ministers' Statutory
Powers and Duties (Miscellaneous Provisions) Ordinance, 1958, the Governor-
General, after consultation with the Council of Ministers, has made the
following Order:

1. This Order may be cited as the Transfer of Functions (Lagos) Order,
1959, and shall have effect in respect of the Federal Territory of Lagos.

2. The Ordinances specified in the First Schedule are modified by the
substitution, for the words "Governor-General" or "Governor-General in
Council", of the word "Minister" wherever the former words appear in the
sections or parts of sections of such Ordinances specified in such Schedule.

3. The modifications set out in the Second Schedule shall be made in the
Ordinances and sections or parts thereof specified in such schedule.

4. Where as a consequence of the definition of the expressions "Governor"
and "Governor in Council" in the Interpretation Ordinance (or by virtue of
any other enactment) such expressions are in respect of Lagos to be inter-
preted as meaning "Governor-Général" and "Governor-General in Council",
then the modifications effected by this section shall apply as fully as though
the latter expressions were those in fact used in the portion of the Ordinance
falling to be modified.

5. Where as a consequence of any modification effected by this Order a
Minister is authorised to appoint any person to exercise any functions under
the Ordinance so modified, then if the person intended to be appointed for
that purpose is an officer in the public service of the Federation the consent
of the Governor-General shall be necessary to such appointment, but a
statement in the terms of any appointment that such consent has been given
shall be prima facie evidence of such consent, and where such appointment is
of a member of the public service already in a department of government
with which the Minister is charged with responsibility, or of a member of the
staff of his Ministry, such consent shall be deemed to have been given.

6. The provisions of this Order which modify any Ordinance so as to
alter the manner in which or the authority by which or the law under or in
accordance with which any powers are exercisable shall not render invalid
any licence, approval, notification, order, bye-law, rule, regulation or dele-
gation duly made or issued, or anything duly done before the commencement
of this Order. Any such licence, approval, notification, order, bye-law, rule,
regulation or delegation may be revoked, varied or undone to the like extent
and in the like circumstances as if it had been made or issued after the
commencement of this Order by the appropriate Minister and under and in
accordance with the provisions then applicable to such a case.

MADE AT LAGOS THIS 2ND DECEMBER, 1959.

MAURICE JENKINS,
Acting Deputy Secretary to the Council of Ministers

EXPLANATORY NOTE

The Order transfers to Ministers functions which are still nominally vested in the Governor-General (and in the Governor-General in Council) but which are correctly Ministerial functions, and which, in all but name, are already exercised by Ministers. In much the same way as the Governor-General hitherto consulted the Council of Ministers in accordance with Royal Instructions in the exercise of powers vested in him, so Ministers consult the Council on important matters and on other matters in respect of which such consultation is customary, for the constitution is such that there is a collective responsibility resting on the government for all Ministerial acts. As many powers as possible have been transferred. The exceptions are powers relating to those matters which are under the Constitution reserved to the Governor-General, and those matters which are regarded as being akin to Acts of State or which demonstrably require promulgation as matters on which a conciliatory decision has been taken. In these latter categories are the making of proclamations and regulations.

This Order affects Ordinances dealing with the Federal territory of Lagos, and is promulgated separately in order that it shall not complicate the contemporaneous order which concerns the whole Federation.

L.N. 258 of 1959

MINISTERS' STATUTORY POWERS AND DUTIES
(MISCELLANEOUS PROVISIONS) ORDINANCE, 1958
(No. 2 of 1958)

Transfer of Functions (Federation) Order, 1959

Commencement: 10th December, 1959

In exercise of the powers conferred by section 2 of the Ministers' Statutory
Powers and Duties (Miscellaneous Provisions) Ordinance, 1958, the Governor-
General, after consultation with the Council of Ministers, has made the
following Order—

Citation and application.

1. This Order may be cited as the Transfer of Functions (Federation)
Order, 1959, and shall be of Federal effect.

General modifications.

2. The Ordinances specified in the First Schedule are modified by the
substitution, for the words "Governor-General” or "Governor-General in
Council", of the word "Minister” wherever the former words appear in the
sections or parts of sections of such Ordinances specified in such Schedule.

First Schedule.

3. The modifications set out in the Second Schedule shall be made in the
Ordinances and sections or parts thereof specified in such schedule.

Specific modifications.

4. Where as a consequence of any modification effected by this Order a
Minister is authorised to appoint any person to exercise any functions under
the Ordinance so modified, then if the person intended to be appointed for
that purpose is an officer in the public service of the Federation the consent
of the Governor-General shall be necessary to such appointment, but a
statement in the terms of any appointment that such consent has been given
shall be prima facie evidence of such consent, and where such appointment
is of a member of the public service already in a department of government
with which the Minister is charged with responsibility, or of a member of the
staff of his Ministry, such consent shall be deemed to have been given.

Appointment of member of Federal Public Service to exercise functions.

5. The provisions of this Order which modify any Ordinance so as to alter
the manner in which or the authority by which or the law under or in accord-
ance with which any powers are exercisable shall not render invalid any
licence, approval, notification, order, bye-law, rule, regulation or delegation
duly made or issued, or anything duly done before the commencement of this
Order. Any such licence, approval, notification, order, bye-law, rule, regulation or delegation may be revoked, varied or undone to the like extent
and in the like circumstances as if it had been made or issued after the
commencement of this Order by the appropriate Minister and under and in
accordance with the provisions then applicable to such a case.

Saving of existing Acts.

6. Nothing in this Order shall affect the previous operation of or shall
affect anything duly done or suffered under any existing instrument, or any
right, privilege, operation or liability already acquired, accrued or incurred
under any law.

Saving of existing rights.

7. (1) The provisions of section 70 (3) of the Administrator-General's
Ordinance shall take effect as though the substitution effected by section 2 of
this Order and the First Schedule had not taken place.
(2) The modifications effected to the Crown Lands Ordinance as an Ordinance of Federal application by the First Schedule, and any modifications effected by that Schedule to other Ordinances which only take effect as Federal Ordinances to a limited extent or in limited circumstances, shall not be taken to amend that Ordinance or such other ordinances in the application of the same as a law or as laws of a Region or of the Southern Cameroon.

Made at Lagos this 2nd December, 1959.

MAURICE JENKINS,
Acting Deputy Secretary to the Council of Ministers

EXPLANATORY NOTE

The Order transfers to Ministers functions which are still nominally vested in the Governor-General (and in the Governor-General in Council) but which are correctly Ministerial functions, and which, in all but name, are already exercised by Ministers. In much the same way as the Governor-General hitherto consulted the Council of Ministers in accordance with Royal Instructions in the exercise of powers vested in him, so Ministers consult the Council on important matters and on other matters in respect of which such consultation is customary, for the constitution is such that there is a collective responsibility resting on the government for all Ministerial acts. As many powers as possible have been transferred. The exceptions are powers relating to those matters which are under the Constitution reserved to the Governor-General, and those matters which are regarded as being akin to Acts of State or which demonstrably require promulgation as matters on which a conciliar decision has been taken. In these latter categories are the making of proclamations and regulations, and important matters such as those affecting relations between Regions.

This Order affects Ordinances dealing with the whole Federation, and a separate Order is promulgated contemporaneously which deals with Ordinances taking effect within Lagos alone and with which Regions are rarely likely to be concerned.

NIGERIA (CONSTITUTION) ORDERS IN COUNCIL,
1954 TO 1959

Federal Legislative Houses (Disputed Seats) (Amendment) Regulations, 1959

Commencement: 10th December, 1959

In exercise of the powers conferred by sections 8 and 16 of the Nigeria (Constitution) Order in Council, 1954, as amended, the Governor-General has made the following regulations:

1. These regulations may be cited as the Federal Legislative Houses (Disputed Seats) (Amendment) Regulations, 1959, and shall be of Federal application.

2. Regulation 8 of the Federal Legislative Houses (Disputed Seats) Regulations, 1959 (hereinafter referred to as the principal regulations) is amended by the insertion in paragraph (2) after the word "regulation" of the following:

"in relation to a question as to whether the seat of a member of the House of Representatives has become vacant".

3. Regulation 35 of the principal regulations is amended:
   (a) by the deletion from paragraph (1) of the word "civil";
   (b) by the insertion in paragraph (2) after sub-paragraph (c) of the following new sub-paragraph:

   "(cc) Notwithstanding anything contained in this paragraph, if all the parties to the petition consent to the holding of the trial of the petition at a place of sessions other than the place prescribed by this paragraph, the place of trial of the petition may, in the discretion of the court, be that place of sessions."

4. Regulation 40 of the principal regulations is amended by the deletion of the word "recommended" and the substitution therefor of the following:

"recommenced".

5. Regulation 42 of the principal Regulations is amended by the deletion from paragraph (1) of the words "except as to the sufficiency of the security."

MADE at Lagos this 7th day of December, 1959.

A. F. F. P. NEWNS,
Secretary to the Governor-General

EXPLANATORY NOTE

These regulations amend the Federal Legislative Houses (Disputed Seats) Regulations, 1959, as follows:

Regulation 2.—amends regulation 8 of the principal regulations so as to make it clear that the limitation as to the persons who may institute proceedings under that regulation applies only to proceedings concerning members of the House of Representatives and not to proceedings concerning members of the Senate.
Regulation 3.—(a) amends regulation 35 (1) of the principal regulations so as to make it clear that the reference to proceedings over which a petition has precedence includes all proceedings whether civil or criminal, as provided in regulation 12 (2);

(b) enables the place of trial of a petition to be elsewhere than as prescribed in regulation 35 (2) of the principal regulations, if all parties so consent.

Regulation 4.—corrects an error in the text of regulation 40 of the principal regulations.

Regulation 5.—amends regulation 42 (1) of the principal regulations so as to include questions as to the sufficiency of the security given by a petitioner among the matters to be heard before a judge.
