The Center for Research Libraries scans to provide digital delivery of its holdings. In some cases, problems with the quality of the original document or microfilm reproduction may result in a lower quality scan, but it will be legible. In some cases, pages may be damaged or missing. Files include OCR (machine searchable text) when the quality of the scan and the language or format of the text allows.

If preferred, you may request a loan by contacting Center for Research Libraries through your Interlibrary Loan Office.
