The object of this Bill is to make statutory provision for the payment of increases in certain pensions which came into payment on or before the 31st day of August, 1959.

Minister of Establishments

PENSIONS (SPECIAL PROVISIONS) BILL
ARRANGEMENT OF CLAUSES

Clause
1. Short title, etc.
2. Interpretation.
3. Certain pensions increased.
4. Special provisions as to pensions in Western Nigeria.
A BILL

FOR

AN ACT TO PROVIDE FOR AN INCREASE IN THE RATE OF CERTAIN PENSIONS AND FOR OTHER PURPOSES CONNECTED THEREWITH

Commencement.

[See section 3]

BE IT ENACTED by the Legislature of the Federation of Nigeria in this present Parliament assembled and by the authority of the same as follows—

1. (1) This Act may be cited as the Pensions (Special Provisions) Act, 1961, and shall be read together with and form part of the Pensions Ordinance and the Pensions (Increase) Ordinance.

(2) This Act shall have Federal application.

Short title, etc.
Cap. 147 (a).
Cap. 147 (b).
In this Act, unless the context otherwise requires,—

“expatriate officer” has the meaning assigned by the Pensions (Increase) Ordinance;

“pension” means the yearly amount of the pension granted to an officer or other person at the date of his retirement or the yearly amount of the pension as reduced by commutation under the Pensions Regulations as the case may be, inclusive in either case of increases payable before the coming into force of this Act, and includes any annual allowance in the nature of pension;

“the effective date” means the 31st day of August, 1959.

(2) For the purposes of this Act,—

(a) where a pension in payment at the effective date indicated a fraction of a pound, the increase shall be calculated as if the fraction were a whole pound; and

(b) if a pension is reduced by commutation, the increase shall not be calculated on the hypothetical unreduced pension.

3. (1) Subject to the provisions of this Act, there shall be payable to every person in receipt of a pension granted under any of the Ordinances mentioned in the First Schedule to the Pensions (Increase) Ordinance an increase in his pension, calculated—

(a) at the rate of 12½ per cent of the pension in payment at the effective date of a pensioner who, but for his retirement as an expatriate officer before the 1st day of October, 1954 would have been in receipt of a salary corresponding to Group 7 or above at the passing of this Act;

(b) at the rate of 12½ per cent of the pension in payment at the effective date in the case of any pensioner who, but for his retirement at any time after the 30th day of September, 1954 and before the 1st day of September, 1959, would have been in receipt of a salary corresponding to Group 7 or above at the passing of this Act; and

(c) at the rate of 15 per cent of his pension before the coming into operation of this Act in any other case.

(2) There shall, for the purposes only of this Act, be deemed to be added to the First Schedule to the Pensions (Increase) Ordinance a reference to the Military Pensions Ordinance, and the provisions of this section shall as the case may require, apply to any pension payable under the Military Pensions Ordinance on completion of the prescribed period of service.

(3) For the purposes of this section where an increase at a percentage rate would operate so as to exceed the sum of £150, the maximum annual amount of the increase shall be limited to £150.

4. Nothing in this Act shall be construed so as to authorise an increase in the Federal portion of a pension payable in respect to service partly in the Federal Territory and partly in Western Nigeria where the officer or other person otherwise entitled retired from service in Western Nigeria after the 31st day of March, 1959 and before the 1st day of September, 1959.
The purpose of this Bill is to amend the Ports Ordinance (Cap. 155) to provide for the separation of the functions of Chairman and General Manager in the Nigerian Ports Authority so as to enable the appointment of a Nigerian as Chairman of the Authority, and to enable the Authority to become the Piers Licensing Authority within Port Limits. The Bill also seeks to make certain minor amendments to the Ports Ordinance to correct errors which have come to light in the text of the Ordinance.

PART II—MOTOR FISHING BOAT LICENCES

3. (1) No person shall operate or navigate any motor fishing boat within the territorial waters of the Federal Territory of Lagos unless a licence in respect of such vessel has been issued to the owner thereof: Provided that a licence issued under legislation of the same nature as this Act enacted by the Legislature of the Western or Eastern Nigeria shall be deemed to be a licence issued under section 5 of this Act.

(2) Any person operating or navigating, or causing to be operated or navigated, a motor fishing boat in contravention of subsection (1) shall be liable to a fine of one hundred pounds or to imprisonment for six months or to both such fine and imprisonment: Provided that this section shall not apply to motor fishing boats entering the territorial waters of the Federal territory of Lagos solely for re-fuelling or for shelter or in case of emergency and not for fishing or for the disposal of fish.

4. (1) Any person being the owner of a motor fishing boat may apply to a licensing officer for a licence for such motor fishing boat.

(2) Every such application shall be in writing and shall state in detail the methods of taking fish that are to be employed, the area within which it is proposed that the said motor fishing boat shall be operated, and the arrangements that are to be made for the preservation and marketing of the catch.

5. (1) Upon—

(a) due application being made for a licence;

(b) payment of the prescribed fee;

(c) proof being adduced to the satisfaction of the licensing officer that the applicant is the lawful owner of the motor fishing boat in respect of which he has applied for a licence, and that he is a fit and proper person to be granted such licence;

(d) the licensing officer being satisfied that the operation of the vessels is not likely to be prejudicial to the interests of the sea fishing industry of the Federal territory of Lagos, the licensing officer shall issue a licence in respect of the motor fishing boat described in the application.

(2) A licence shall be in the prescribed form and may be issued subject to such conditions as the licensing officer may think fit to impose by endorsement thereon.

(4) When the ownership of a licensed motor fishing boat is transferred from one person to another, the licence shall not be valid in respect of the new owner until a licensing officer has approved the transfer of ownership and has endorsed the licence to that effect.

6. The provisions of this Act that relate to the issue of a licence shall apply to any application for the renewal of a licence and to such renewal.
7. A licensing officer may, without assigning any reason, cancel, or suspend for such period as he thinks fit, a licence.

8. Any person aggrieved by any refusal by a licensing officer to issue or renew a licence or by any cancellation or suspension of a licence by a licensing officer or by any condition endorsed on a licence may, within fourteen days of such refusal, cancellation, suspension or endorsement but not otherwise appeal to the Minister, whose decision shall be final.

9. Every owner of a licensed motor fishing boat shall:

(a) render to a licensing officer such written returns concerning the operation of such motor fishing boat as the licensing officer may require;

(b) require the owner or the person in charge of a motor fishing boat to exhibit his licence, fishing apparatus and catch;

(c) go on board any fishing boat and search and examine such fishing boat and any fishing apparatus that may be therein; or

(d) where there is reasonable suspicion that an offence under this Act has been committed, take the alleged offender and the fishing boat, fishing apparatus and catch to the most convenient port or police station without warrant, summons or other process.

(2) Any fishing boat or apparatus taken under the provision of paragraph (d) of subsection (1) may be detained pending trial of the alleged offender, and the catch may be sold and the proceeds of the sale detained pending such trial, and thereafter any vessel, apparatus or money so detained shall, unless forfeited under the provisions of paragraph (a) of section 13, be returned to the person from whom the same was taken.

14. (1) The Governor-General may make regulations for furthering the interests of the sea fishing industry of the Federal territory of Lagos and for giving effect to the provisions of this Act.
