Lagos, 18th March, 1969.

**Government Notice No. 447**

**Payment of Federal Income Tax**

The Federal Board of Inland Revenue hereby reminds every individual who owes FEDERAL income tax (including income rate) in respect of any year of assessment up to and including 1967-68, and every company liable to income tax under the Companies Income Tax Act 1961 and owing tax for any year of assessment up to and including 1968-69, that full settlement of the outstanding tax must be made on or before 21st March, 1969, unless, in exercise of its powers under the appropriate section of the Personal Income Tax (Lagos) Act 1961 or the Companies Income Tax Act 1961 as the case may be, the Board has already communicated to a particular taxpayer its decision to extend the time for payment.

2. After 21st March, 1969, the statutory penalty of 10 per cent will, unless already imposed, be added to any outstanding tax in respect of which there is no arrangement for deferred payment. Appropriate legal proceedings, as provided for by the relevant Act, will also be taken in due course to recover both tax and penalty.

E. A. Osindero,  
Chairman

Federal Board of Inland Revenue,  
Mosaic House, Tinubu Square,  
Private Mail Bag No. 12516,  
Lagos, Nigeria, 14th March, 1969.
Federal Ministry of Works and Housing

TENDERS FOR THE SUPPLY OF GALVANISED WATER PIPES AND FITTINGS

Tenders are invited for the supply of galvanised water pipes and fittings to the Federal Ministry of Works and Housing, Lagos for the period 1st May, 1969 to 30th April, 1971.

UNESCO VACANCY

SPECIAL FUND APPOINTMENT

1. Title of post.—Expert in Land Survey (Geodesy)

2. Location.—Faculty of Engineering, University College, Nairobi, Kenya.

3. Background and functions.—The Government of Kenya is implementing a programme of expansion and improvement of its educational facilities for the training of professional engineers to meet the manpower requirements of economic and social development in Kenya and the countries of East Africa. In this connection, the University College, Nairobi, trains university-level professional engineers.

The College is one of the three Colleges forming the University of East Africa and now has the following Faculties:

- Faculty of Arts
- Faculty of Arts and Architecture
- Faculty of Commerce
- Faculty of Education
- Institute of Development Studies
- Faculty of Engineering
- Faculty of Science
- Faculty of Veterinary Medicine
- Faculty of Medicine
- Faculty of Agriculture

The United Nations Special Fund has provided assistance to the Faculty of Engineering during the period 1963-1968 and supplementary assistance is being provided until December 1971.

The Faculty offers full-time courses in:

- Civil Engineering
- Mechanical Engineering
- Electrical Engineering
- Land Survey

The duration of the initial courses leading to the B.Sc. degree in Land Survey is three and one-third years. There are facilities for research leading to the M.Sc. and Ph.D. degrees.

The planned student-intake into the Faculty in 1969 is 180 undergraduates, of whom about 20 will be in the Department of Land Survey.

UNESCO is the Executing Agency for this Project which provides part of the staff of the Faculty and also assists in planning teaching programmes in various specialities, in selecting equipment, and in teaching and research. UNESCO provides a team of seven international experts, offers twenty-seven man-years of fellowships to enable local staff to study teaching programmes and facilities abroad or to make special visits in East Africa, and also provides funds for equipment.

During the period 1963-1968 over $300,000 have been provided for equipment. In the period 1968-1971, only about $60,000 will be spent on equipment as the Faculty is now well-equipped having funds from many sources. In this period funds have been allocated to train local East-Africans by means of local and overseas fellowships. The UNESCO experts will help to select these people, to devise training programmes and to see that they are implemented.

The experts are as follows:

- One expert in Electrical Engineering (Power)
- One expert in Civil Engineering (Soil Mechanics)
- One expert in Electrical Engineering (Communications)
- One expert in Agricultural Engineering
- One expert in Land Survey
- One expert in Mechanical Engineering
- One expert in Civil Engineering (Public Health Engineering)

The expert in Land Survey will be expected inter alia:

(a) to examine the existing equipment and the curricula of the source of Land Survey and allied subjects and draw up proposals to improve them to meet the objectives of the project;

(b) to supervise the installation of Special Fund equipment;

(c) to train local counterpart teaching personnel who will continue the programme initiated herein;

(d) to teach subjects and conduct research in the field of the geodetic sciences in the class-room, laboratory and field.

4. Qualifications.—Post-graduate degree in one of the geodetic sciences. Several years' professional experience and/or of research in the geodetic sciences is required. Lecturing experience in a university would be an advantage.

5. Language requirements.—Excellent command of English and ability to give lectures in the language.

6. Duration of appointment.—2 years from August 1969.

7. International salary and allowances.—(Net of national income tax—payable partly in the currency of the staff member’s home or of the duty station).

Base salary per annum:

- equivalent to...
- Gross $19,120
- Net $14,228
Post adjustment (cost of living, subject to change without notice) at this date: the local equivalent of

$612

($408 if without dependents)

Assignment allowance (expatriate allowance): the local equivalent of

$1,400

($1,100 if without dependents)

Family allowances:

dependent spouse . . . . $400
each dependent child . . . . $300

Travel is provided for the expert and his dependants (spouse and children under 18 years of age). In addition, UNESCO contributes towards the cost of installation at the duty station, the education of dependent children, and the medical expenses of the staff member. On separation from UNESCO, a repatriation grant is paid.

8. Method of application.—Applications have to be made on special Curriculum Vitae Forms, which can be obtained, in person or by post, from the Secretary, UNESCO National Commission for Nigeria, Federal Ministry of Education, Senate Buildings, Lagos.

All applications for Curriculum Vitae forms should state:

(a) the particular advertisement for which the forms are wanted—please quote reference number where supplied;

(b) very brief (2 or 3 lines) summary of applicant’s qualifications for the post in terms of:

(i) basic academic or professional qualifications
(ii) number of years post-qualification experience.

(iii) Languages spoken.

PLEASE ENCLOSE A STAMPED ADDRESSED 9” × 4” ENVELOPE.

9. Closing date.—Filled C.V. forms should be returned to reach the Secretary, UNESCO National Commission for Nigeria not later than 15th April, 1969.
