Explanatory Note
(This note does not form part of the above Decree, but is intended to explain its purpose)

This Decree replaces Chapter VII of the Constitution of the Federation (which deals with police matters). The amendments affect, principally, sections 107, 108 and 109 of the Constitution and the provisions suspended by the Constitution (Suspension and Modification) Decree 1966 which have now been omitted.

By virtue of section 107, the Nigeria Police Council and the Police Service Commission have been reconstituted and the functions of the Council have been extended to include power as to policy matters. Section 108 empowers the Council to make recommendations to the Federal Military Government with respect to all the matters under its supervision, and establishes an Establishment and Finance Committee, which shall be responsible for matters relating to establishments and the finances of the Police, other than pensions.
THE FEDERAL MILITARY GOVERNMENT hereby decrees as follows:

1.—(1) Without prejudice to the exercise of such functions as may be conferred on the Nigeria Police Council (as established under section 107 of the Constitution) by any enactment, the Council shall have power—

(a) to determine the general policy of the Nigeria Police Force subject to such directions as may be given by the Head of the Federal Military Government, and the provisions of the Constitution relating to the functions of the Council, and as the case may require, to determine any particular policy in respect of any specific function and (subject as aforesaid) to give effect to any such policy;

(b) to perform, subject to such regulations or standing orders as may from time to time be made by the Head of the Federal Military Government, functions in respect of matters recommended by the Establishments and Finance Committee of the Force—

(i) on establishments, that is, posts, gradings and terms and conditions of service of members of the force; and

(ii) on matters relating to the finances of the force, including the preparation of estimates, capital and recurrent expenditure of the force, and salaries and other emoluments of members of the force, except pensions within the meaning of the Pensions Act.

(2) Accordingly—

(a) in paragraph (a) of section 47 and in paragraph (a) of section 48 of the Police Act (as reprinted under the Police Act (Authority to Reprint) Decree 1967), for all the words after the reference to the “Nigeria Police Council” there shall be substituted the following—

“with respect to the policy, organisation and administration of the Force, including establishments and financial matters, other than pensions within the meaning of the Pensions Act”; and

(b) the references in any other enactment or instrument in relation to the functions of the Nigeria Police Council shall be construed accordingly.
2.—(1) This Decree may be cited as the Police (Amendment) Decree 1971 and shall apply throughout the Federation.

(2) In this Decree "the Constitution" means the Constitution of the Federation.

MADE at Lagos this 19th day of August 1971.

MAJOR-GENERAL Y. GOWON,
Head of the Federal Military Government,
Commander-in-Chief of the Armed Forces,
Federal Republic of Nigeria

EXPLANATORY NOTE
(This note does not form part of the above Decree, but is intended to explain its purpose)

This Decree amends the Police Act in order to ensure that functions of the Nigeria Police Council will include policy matters which are to be determined by that Council. It also deals with the performance of functions relating to establishment and financial matters, other than pensions. It consequentially amends sections 47 (a) and 48 (a) of the principal Act so as to allow regulations and standing orders to be made from time to time by the Head of the Federal Military Government in respect of those functions.
