THE FEDERAL MILITARY GOVERNMENT hereby decrees as follows:

1.—(1) There is hereby established a body corporate by the name of the Chad Basin Development Authority (hereinafter in this Decree referred to as "the Authority") which shall consist of eight members appointed in the following manner, that is to say—

(a) two persons who possess detailed knowledge of the area of the Authority coupled with wide experience of planning and administration of agricultural and industrial development projects and who shall be appointed by the Commissioner with the approval of the Federal Executive Council;

(b) one of the two persons specified in paragraph (a) above shall be appointed as the Chairman of the Authority at the time of appointment;

(c) the Permanent Secretary, Federal Ministry of Agriculture and Natural Resources or his representative;

(d) the Permanent Secretary, Federal Ministry of Economic Development and Reconstruction or his representative;

(e) the Permanent Secretary, Federal Ministry of Industries or his representative; and

(f) three persons appointed by the Government of North-Eastern State.

(2) The two members specified in paragraph (a) of subsection (1) above are hereafter referred to as nominated members.

(3) A reference to a representative of a member of the Authority shall be construed as a reference to any person duly appointed by that member to represent him at a meeting of the Authority.

(4) The provisions of the Schedule of this Decree shall have effect with respect to the constitution of the Authority and the other matters there mentioned.

2. The principal functions of the Authority shall be—

(a) the promotion of land and water development schemes in the Chad Basin for the purposes of increasing agricultural and fish production;

(b) the construction and maintenance of dams, polders, irrigation and drainage canals, and other works necessary for the purposes specified in paragraph (a) above;
(c) the resettlement of persons affected by the works specified in paragraph (b) above or under special resettlement schemes;

(d) the development of land for the cultivation of crops and the supply of water for irrigation purposes to private farmers or any recognised associations for a fee to be determined by the Authority;

(e) the regulation of navigation and fishing on Lake Chad;

(f) the development of plantations for the production of food and crops which require to be processed before being consumed as well as ranches for cattle and other species of livestock;

(g) the undertaking of land and water conservation schemes including afforestation; and

(h) the exploitation of underground water resources (including the sinking of wells and bore-holes) for human and livestock consumption.

3.—(1) Subject to subsections (2) and (3) of this section, the Authority shall have power to do anything which in its opinion is calculated to facilitate the carrying out of its functions, including without prejudice to the generality of the foregoing provisions the taking over, management and development of any irrigation scheme or project established or in existence at the date of commencement of this Decree.

(2) Except with the general or special approval of the Federal Executive Council, the Authority shall not have power to borrow money.

(3) The Commissioner may give the Authority directions of a general character or relating generally to particular matters with regard to the exercise of its functions by the Authority and it shall be the duty of the Authority to comply with the directions.

(4) The Authority may in consultation with the State Government make by-laws for regulating the use of land and water for irrigation as well as fishing and navigation with respect to its functions specified in section 2 above, but no by-law made in pursuance of this section shall come into force unless it is confirmed by the Federal Executive Council.

4.—(1) There shall also be established a body to be called the Chad Basin Development Advisory Committee (hereinafter in this Decree referred to as “the Committee”), which shall consist of—

(a) the Chief Executive and General Manager of the Authority who shall be the Chairman;

(b) the Secretary of the Authority;

(c) the Director of the Inland Waterways Department of the Federal Ministry of Transport;

(d) the Chief Water Resources Officer of the Federal Ministry of Agriculture and Natural Resources;

(e) the Director of the Federal Department of Fisheries;

(f) the Chief Agricultural Officer of the State;

(g) the Chief Irrigation Engineer of the State;

(h) the Chief Conservator of Forests of the State;

(i) the Chief Veterinary Officer of the State; and

(j) the General Manager of the Nigerian Livestock and Meat Authority.

(2) The Authority may notwithstanding the foregoing provisions appoint such other persons (not exceeding three in number) in addition, as it thinks fit to be members of the Committee.
(3) It shall be the function of the Committee to tender to the Authority, either on the initiative of the Committee or at the invitation of the Authority, advice with respect to—

(a) the matters referred to in section 2 of this Decree;

(b) the regulation of navigation and fishing in the waters of Lake Chad, with respect to the international character of the Lake;

(c) the planning and operation of irrigation and other land reclamation schemes with which the Authority is concerned; and

(d) such other matters, if any, as the Authority may determine from time to time.

(4) The quorum of the Committee shall be six, and the Committee may regulate its own procedure.

(5) The Authority may from time to time make available to the Committee such facilities by way of transport, accommodation, staff and other privileges as it considers appropriate; but those facilities shall not include the making of any payment to members of the Committee.

5.—(1) For the purposes of this Decree—

(a) the Land and Native Rights Act shall have effect as if references in section 13 to the Government of the Federation include references to the Authority; and

(b) it shall be the duty of the Authority to secure that as little damage as is reasonably possible is done in the exercise of power conferred by virtue of subsection (1) of this section.

(2) Property vested in the Authority shall not be liable to be acquired compulsorily under any enactment; and notwithstanding anything in any other enactment, no mining operations shall be carried on, in or under any land vested in the Authority or any land over which the Authority is entitled to rights of support for benefit of lands so vested except with the prior approval in writing of the Federal Executive Council.

In this subsection, “mining operations” includes prospecting for minerals, the getting of minerals, and activities preparatory or incidental thereto.

(3) Any person who suffers loss by reason of subsection (1) of this section or the provisions of the last foregoing subsection relating to mining operations shall—

(a) be paid adequate compensation by the Authority in respect of the loss, and

(b) be entitled to refer any question as to his interest in the subject-matter of the loss and as to the amount of any compensation payable in pursuance of this subsection for determination by the High Court having jurisdiction in the area in which the subject-matter is situated.

(4) This section binds the Government of the Federation and the Government of any State in the Federation.

6.—(1) There may be made to the Authority, out of moneys provided by the Government of the Federation, payments for the purposes of this Decree, either by way of grant or by way of loan or both, of such amounts and on such terms as may be approved by the Federal Executive Council.

(2) The Authority shall submit to the Federal Executive Council for final approval the total cost of its projects when worked out by consultants.
(3) The Authority shall keep proper accounts in respect of each financial year, and proper records in relation to those accounts and shall cause the accounts to be audited as soon as may be after the end of the financial year to which the accounts relate by a firm of auditors approved, as respects that year, by the Federal Commissioner for Finance.

7.—(1) The Authority shall prepare and submit to the Commissioner, not later than eighteen clear months after its establishment, and once every year thereafter, a report in such form as the Commissioner may direct on the activities of the Authority during the last preceding financial year, and shall include in the report a copy of the audited accounts of the Authority for that year and of the auditors’ report on the accounts.

(2) The Commissioner shall cause a copy of each report made to him under this section to be laid before the Federal Executive Council, and also send a copy to the Military Governor of the State.

(3) For the purposes of the Authority’s first report under this section, the last preceding financial year shall be deemed to include so much of any period before the beginning of that year as begins with the date of the first meeting of the Authority.

8.—(1) This Decree may be cited as the Chad Basin Development Authority Decree 1973.

(2) In this Decree unless the context otherwise requires—

"the Authority" means the Chad Basin Development Authority as established by section 1 above;

"Chad Basin" means so much of the area defined in the Convention of the Lake Chad Basin Commission as falls within Nigeria;

"the Commissioner" means the Federal Commissioner for Agriculture and Natural Resources;

"the Committee" means the Chad Basin Development Advisory Committee as established by section 4 above;

"functions" includes powers and duties; and

"the State" means the North-Eastern State and "State Government" shall be construed accordingly.

EXPLANATORY NOTE

(This note does not form part of the above Decree but is intended to explain its general purport)

The Decree establishes the Chad Basin Development Authority as well as the Chad Basin Development Advisory Committee for the purposes of the development and management of the projects specified in section 2 thereof.
THE FEDERAL MILITARY GOVERNMENT hereby decrees as follows:—

1.—(1) There is hereby established a body corporate by the name of the Sokoto-Rima Basin Development Authority (hereinafter in this Decree referred to as "the Authority") which shall consist of nine members appointed in the following manner, that is to say—

(a) two persons who possess detailed knowledge of the area of the Authority coupled with wide experience of planning and administration of agricultural and industrial development projects and who shall be appointed by the Commissioner with the approval of the Federal Executive Council;

(b) one of the two persons specified in paragraph (a) above shall be appointed as the Chairman of the Authority at the time of appointment;

(c) the Permanent Secretary, Federal Ministry of Agriculture and Natural Resources or his representative;

(d) the Permanent Secretary, Federal Ministry of Economic Development and Reconstruction or his representative;

(e) the Permanent Secretary, Federal Ministry of Industries or his representative;

(f) three persons appointed by the Government of the North-Western State; and

(g) one person appointed by the Government of the North-Central State.

(2) The two members specified in paragraph (a) of subsection (1) above are hereafter referred to as nominated members.

(3) A reference to a representative of a member of the Authority shall be construed as a reference to any person duly appointed by that member to represent him at a meeting of the Authority.

(4) The provisions of the Schedule of this Decree shall have effect with respect to the constitution of the Authority and the other matters there mentioned.

2. The principal functions of the Authority shall be—

(a) the promotion of land and water development schemes in the Sokoto-Rima Basin for the purposes of increasing agricultural and fish production;

(b) the construction and maintenance of dams, polders, irrigation and drainage canals, and other works necessary for the purposes specified in paragraph (a) above;
(c) the resettlement of persons affected by the works specified in paragraph (b) above or under special resettlement schemes;

(d) the development of land for the cultivation of crops and the supply of water for irrigation purposes to private farmers or any recognised associations for a fee to be determined by the Authority;

(e) the development of plantations for the production of food and crops, which require to be processed before being consumed, as well as ranches for cattle and other species of livestock;

(f) the undertaking of land and water conservation schemes including afforestation; and

(g) the exploitation of underground water resources (including the sinking of wells and bore-holes) for human and livestock consumption.

3.—(1) Subject to subsections (2) and (3) of this section, the Authority shall have power to do anything which in its opinion is calculated to facilitate the carrying out of its functions, including without prejudice to the generality of the foregoing provisions the taking over, management and development of any irrigation scheme or project established or in existence at the date of commencement of this Decree.

(2) Except with the general or special approval of the Federal Executive Council, the Authority shall not have power to borrow money.

(3) The Commissioner may give the Authority directions of a general character or relating generally to particular matters with regard to the exercise of its functions by the Authority and it shall be the duty of the Authority to comply with the directions.

(4) The Authority may in consultation with the Governments of the States make by-laws for regulating the use of the land and water for irrigation with respect to its functions specified in section 2 above, but no by-law made in pursuance of this section shall come into force unless it is confirmed by the Federal Executive Council.

4.—(1) There shall also be established a body to be called the Sokoto-Rima Basin Development Advisory Committee (hereinafter in this Decree referred to as “the Committee”), which shall consist of—

(i) the Chief Executive and General Manager of the Authority who shall be the Chairman;

(ii) the Secretary of the Authority;

(iii) the Chief Water Resources Officer of the Federal Ministry of Agriculture and Natural Resources;

(iv) the General Manager of the Nigerian Livestock and Meat Authority;

(v) the Chief Agricultural Officer of each of the States;

(vi) the Chief Irrigation Engineer of each of the States;

(vii) the Chief Conservator of Forests of each of the States; and

(viii) the Chief Veterinary Officer of each of the States.

(2) The Authority may, notwithstanding the foregoing provisions, appoint such other persons (not exceeding three in number) in addition, as it thinks fit to be members of the Committee.

(3) It shall be the function of the Committee to tender to the Authority, either on the initiative of the Committee or at the invitation of the Authority, advice with respect to—

(a) such matters referred to under section 2 of this Decree;
(b) the planning and operation of irrigation and other land reclamation schemes with which the Authority is concerned; and

c) such other matters, if any, as the Authority may determine from time to time.

(4) The quorum of the Committee shall be five, and the Committee may regulate its own procedure.

(5) The Authority may from time to time make available to the Committee such facilities by way of transport, accommodation, staff, and other privileges as it considers appropriate; but those facilities shall not include the making of any payment to members of the Committee.

5.—(1) For the purposes of this Decree—

(a) the Land and Native Rights Act shall have effect as if references in section 13 to the Government of the Federation include references to the Authority; and

(b) it shall be the duty of the Authority to secure that as little damage as is reasonably possible is done in the exercise of power conferred by virtue of subsection (1) of this section.

(2) Property vested in the Authority shall not be liable to be acquired compulsorily under any enactment; and notwithstanding anything in any other enactment, no mining operations shall be carried on, in or under any land vested in the Authority or any land over which the Authority is entitled to rights of support for benefit of lands so vested except with the prior approval in writing of the Federal Executive Council.

In this subsection, "mining operations" includes prospecting for minerals, the getting of minerals, and activities preparatory or incidental thereto.

(3) Any person who suffers loss by reason of subsection (1) of this section or the provisions of the last foregoing subsection relating to mining operations shall—

(a) be paid adequate compensation by the Authority in respect of the loss; and

(b) be entitled to refer any question as to his interest in the subject-matter of the loss and as to the amount of any compensation payable in pursuance of this subsection for determination by the High Court having jurisdiction in the area in which the subject-matter is situated.

(4) This section binds the Government of the Federation and the Government of any State in the Federation.

6.—(1) There may be made to the Authority, out of moneys provided by the Government of the Federation, payments for the purposes of this Decree, either by way of grant or by way of loan or both, of such amounts and on such terms as may be approved by the Federal Executive Council.

(2) The Authority shall submit to the Federal Executive Council for final approval the total cost of its projects when worked out by consultants.

(3) The Authority shall keep proper accounts in respect of each financial year, and proper records in relation to those accounts and shall cause the accounts to be audited as soon as may be after the end of the financial year to which the accounts relate by a firm of auditors approved, as respects that year, by the Federal Commissioner for Finance.
7.—(1) The Authority shall prepare and submit to the Commissioner, not later than eighteen clear months after its establishment, and once every year thereafter, a report in such form as the Commissioner may direct on the activities of the Authority during the last preceding financial year, and shall include in the report a copy of the audited accounts of the Authority for that year and of the auditors’ report on the accounts.

(2) The Commissioner shall cause a copy of each report made to him under this section to be laid before the Federal Executive Council, and also send a copy to the Military Governors of the States.

(3) For the purposes of the Authority’s first report under this section, the last preceding financial year shall be deemed to include so much of any period before the beginning of that year as begins with the date of the first meeting of the Authority.

8.—(1) This Decree may be cited as the Sokoto-Rima Basin Development Authority Decree 1973.

(2) In this Decree unless the context otherwise requires—
