Federal Republic of Nigeria

EXPLANATORY NOTE
(This note does not form part of the above Decree but is intended to explain its purport)

The Decree sets up the Federal Government Staff Housing Board to administer a housing loan scheme for Federal public officers. Every loan granted by the Board would be applied by the officer concerned either for the improvement or acquisition of a residential building for the use of the officer and his family or for buying a plot of land for the purpose of putting up such a building.

The scheme set up under the Decree replaces the former one known as the African Staff Housing Scheme.
